First and Fourth Pages.

A Minister's Views of ' Tempins."

Rev. Mr. Simmons, of Xenia, was recently presented with the rules of a "Tenpin Al ley," in that city, and complimented with an invitation to attend! The proprietors are darkeys, and the Roy gentleman infers they City each trip. All is sunshine where Marare introducing a plan for the cicration of the white race! After "reading them a proper rating" for their presumption in send ing him an invitation to visit their "alley," he declines, giving the following among other rensons

1st I believe that God has given me more time then is necessary to attend to my duties, which I owe to him, my neighbor and myself, and none to kill in this way.

example might stimulate others to attend at night, until the latest hour.

4th. I believe that to saw and split wood, and boe in the garden, is better exercise for

health than rolling the ball.

5th, I believe that those who have families, had better spend their leieurs hours in the bosoms of their families, aiding and comforting the wife, and taking care of and in-structing the children, then to be at the al-ley, and young men and bays had better be

round the stump?

"Tenpins" as a pastime or as exercise, is much hetter than to pass the time in a grog shop, or other place of bad repute. It is not now as it was when Bro. Simmons was a local possible of the ground in a mass, a distance of some thirty feet. The scene at this point was el. In the scene at this point was el. young man. The apprentices, clerks professional men, and single men, generally, have not the chance of cutting and splitting wood, working in the garden, and the hundred the wall, were strainly burned. The suf-"little chores" are not to be done now, as ferers were conveyed to the city as soon as they used to be customs have changed, labor-saving machines have made sad have with old time arrangements. Exercise must be taken. Gymnastic exercise of a proper the being almost a total loss. character, is demanded for the young of this generation, and it should be encouraged.—
In well regulated Associations, gambling is Factory was struck by lightning and denot permitted; and where these are institu- stroyed, and now another important depart ted, they are a public benefit. We are opposed as much as any one to the public "ball alleys," as they are called such ones. alleys," as they are called-such ones, mement story. doubtless, as the nigger concern Mr. S. res fers to-and believe them to be nurseries of vice and crime; but we do not join in t'e ery that all exercise which is not actual work, and not productive of pecuniary profit, is pealing the act to provide for the appointwrong or sinful. The kind of exercise which ment of State House officers; also the reso we recommend is demanded by the exigen- lution directing the Commissioners to diseies of he times, and is necessary to the physical development and health of the ris. House.

Ladies' Bonnets Thirty Years Ago. The contrast between the bonnets of thirity years ago and the present day is really ludiorous. Then, the ladies head gear of thanks to officers, messangers and the contained material enough for at least half resident elergymen, who have officiated as a dozen bond out of modest size; now, the chaplains during the session, were adopted. connets are so small that about half a dozen of them should be put in one, in order to The discovery, at a railroad depot at make a proper cover for the head. The Albany, N. Y., of a soap-box containing he-Correspondent of the New York Journal of man remains, has given rise to the supposi-Commerce could not complain of the ob-struction offered by ladies' bunnels now a-ance of Mrs Captain Brennan, in July last,
